

July 25, 2016

The regular monthly meeting of the Board of School Trustees of the Vincennes Community School Corporation was held on Monday, July 25, 2016, at 7:00 p.m. in the Board Room of the Administration Center. Those present were President Karla Smith, Vice President Barb Toole, Treasurer Aaron Bauer, Member Pat Hutchison and Superintendent Greg Parsley. Lynne Bobe was on vacation and absent from the meeting.

Karla Smith brought the meeting to order and led the audience in the Pledge of Allegiance to the American Flag. Mrs. Smith asked if anyone from the audience wished to address the board with comments, questions or concerns. There being none the meeting proceeded.

Lance Gassert and Chris Roberts, Project Managers from Garmong Construction, in addition to Andy Myszak from Myszak + Palmer Architects, were present to give an update on the *Elementary Renovation Projects*.

Chris Roberts advised that the project is on schedule, but Mother Nature has created some slight issues, which is not allowing us to be ahead of schedule. He advised that asphalt will go down as surface for Tecumseh-Harrison and Vigo this week. Curb work is taking place at Franklin, with stone to go down later this week. Windows are being replaced in all three buildings.

As for Riley Elementary, weather has not slowed this project as all work is taking place on the interior; duct work, HVAC, and electrical are all being done; masonry work is also being finished up inside, along with concrete floors being poured for the restrooms.

When questioned, Mr. Roberts stated that fencing would be in place at Franklin to help direct traffic for their "Back to School" nights and at the start of the school year. Melissa Pancake, Principal of Franklin Elementary, advised that Franklin Heights Christian Church, across Hwy 61 from the school, had graciously offered their parking lot for parents to use on the "Back to School" nights scheduled for next Tuesday and Friday.

Mr. Parsley welcomed Mr. Roberts to the meeting and advised that not only is he the Project Manager for the renovations, but he, his wife and son have become community members by moving to town and his son will be attending Lincoln High School.

By unanimous 4-0 vote, after proper Motion and Second, the board approved Mr. Parsley's recommendation for the following Consent Agenda items:

- A. Minutes of June 20, 2016 Meeting
- B. Claims 26493 – 26580
- C. Financial Statements

LHS Cheer Team requests permission to conduct a "*Fan Cloth Clothing Sale*" from Monday, August 8 through Monday, August 22, 2016, to help pay for cheer uniforms and warm-ups.

LHS Cheer Team requests permission to conduct a "*Food Booth @ Drive One 4 UR School*" on Saturday, August 20, 2016, to help offset costs for new uniforms.

LHS Cheer Team requests permission to conduct a "*Cheer Clinic*" on Saturday, August 27, 2016, to perform Friday, September 2, 2016, to help pay for cheer uniform expenses.

Mr. Parsley then asked that all the building principals introduce their new staff members that were present at the meeting, and to share some of their background. New staff members were all welcomed aboard.

DISCUSSION ITEMS:

There are no Discussion Items for this meeting.

DECISION ITEMS:

By unanimous 4-0 vote, upon proper Motion and Second, the board approved Mr. Parsley's request to Re-Open the VCSC/VEA 2015-2016 and 2016-2017 Master Contract for the purpose of addressing Insurance only. The VCSC insurance increased 12% on the total premium for the calendar year of 2017.

In working with the association (VEA) it was decided that the best way to minimize some of this increase was to increase the corporation's dollar amount from \$875 to \$925 per month and also to increase the contribution to their Health Savings Accounts (HSA) in the amount of \$200.00. These monies will use up all of the dollars we received for the ISTA settlement on December 19, 2013. After Board approval, the matter will then need to be approved by the VEA.

By unanimous 4-0 vote, upon proper Motion and Second, the board approved Mr. Parsley's recommendation for the following Resolution to increase the appropriation in the Rainy Day Fund to \$2.5M for the 2017 Budget Year.

This increase is needed from a two-front approach as the budget for 2017 is presently being worked and also, the VCSC has made it clear that the Rainy Day Fund has to be used to offset the tax caps and the loss of dollars in the Capital Projects Fund. Monies will be used for construction and this includes the elementary schools.

**VINCENNES COMMUNITY SCHOOL CORPORATION
VINCENNES, INDIANA**

RESOLUTION TO INCREASE APPROPRIATION IN THE RAINY DAY FUND FOR THE 2017 BUDGET

WHEREAS, the Board of Trustees of the Vincennes Community School Corporation, acting within the authority established by the laws of the State of Indiana, wish to increase the appropriation in the RAINY DAY fund to \$2,500,000.00 for the 2017 Budget Year;

THEN BE IT HEREBY RESOLVED, that the Board does hereby declare that a Rainy Day Fund is established for any legal purpose of the General, Debt Service, Pension Debt, Capital Projects, Transportation, Bus Replacement, or Preschool Special Education Funds as set out in Indiana Code 36-1-8-5.1 and declares the appropriation amount for the 2017 Budget year be set at \$2,500,000.00.

Passed and adopted by the Board of School Trustees of the Vincennes Community School Corporation this 25th day of July, 2016.

Karla A. Smith, President

Barbara L. Toole, Vice President

Lynne M. Bobe, Secretary

Aaron M. Bauer, Treasurer

Patrick P. Hutchison, Member

ATTEST _____
Secretary, Board of School Trustees
Vincennes Community School Corporation

All board members welcomed the new staff to the VCSC and wished everyone "Good Luck" and much success for a great 2016-2017 school year. Barb Toole also wanted to thank everyone involved that there had been a successful and fair parking for football this year.
