

VINCENNES LINCOLN HIGH SCHOOL

MEMO

August 4, 2014

To: LHS Students and Parents

From: Steve Combs, LHS Principal

RE: Traffic Flow Change at LHS

Beginning on the first day of school, Thursday, August 7th, LHS will be implementing a new traffic flow pattern before and after school. In short, parents who drive their students to school should enter the 1st entrance (bus entrance) to the high school on Hart Street and drop him or her off at the Art room entrance. Parents will then exit LHS back on to Hart Street. Students, teachers and anyone needing to park at LHS between the hours of 7:15 and 8:15 AM should enter LHS from Bauer Drive. Bauer Drive is one way in for the hour mentioned above.

Students who are being retrieved from school will exit the art room doors and meet their parents on the Hart Street Lot. **There will be no parking in front of the school on Curtis Painter Way for pick-up.** Parents who have retrieved their children will then exit out the main entrance to Hart Street. Students, teachers and any staff that was parked at LHS will exit to Bauer Drive. Bauer Drive will be one way out from 2:45-3:30.

The change is being made to improve safety both arriving and leaving school. The Vincennes Police Department and Chief Dusty Luking were consulted in coming up with the route. The police will be on hand to help in implementing the new pattern. There will be no entrance into LHS via the main entrance from 7:15-8:15 AM and 2:45-3:30 PM on school days.

This message is being communicated through social media, the school website, parental contact through the VCSC's school reach system. There is a map attached for a visual representation and we will also have a video posted on our website.
